**RESPONSE UNDER 37 C.F.R. 1.111  
TO FIRST OFFICE ACTION AFTER  
RE-OPENING OF PROSECUTION AFTER APPEAL**

This is in Response to the Action mailed August 11, 2004 in which the Examiner opted to re-open prosecution after appeal. In the Action, the Examiner asserted the same rejections as had been set forth by the Examiner before. The Examiner also objected to Claims 6 and 30 as being allowable if re-written to incorporate the limitations of the base claims and any intervening claims. In response, the Applicants requests that the Examiner amend the application as indicated below.
